Going by Ext.P8, the opportunity for the petitioner to avail One Time Settlement facility has run out. In view of Ext.P7 judgment, I do not find that the petitioner has any legally sustainable ground for entertaining writ petition. However, it appears that following Ext.P7 judgment, credit has been given for all remittances being made as per Ext.P5 order. It is also a requirement that the petitioner is given a statement of accounts regarding the entire transactions. Hence this writ petition is disposed of after hearing the learned counsel for the petitioner and the learned counsel for the 1st respondent, directing that the petitioner will be issued with statement of accounts touching the remittances already made, on condition that the petitioner remits an amount of Rs.50,000/- on or before 20th February, 2006.

**THOTTATHIL B. RADHAKRISHNAN,
JUDGE.**
